

# Structural Health Monitoring On-Line Workshop 7 & 8th of December 2020

This Annual Workshop series is organised by Australian Network of Structural Health Monitoring ([www.ANSHM.org.au](http://www.ANSHM.org.au)).

The program will provide an overview of the cutting edge of research, technologies and application in this developing field.

## Program:

Time	Monday, 7 December 2020	Tuesday, 8 December 2020	
9:00am - 9:10am	Opening		
9:10am - 10:30am	Session 1: Bridge Structural Health Monitoring	Session 3: Non-destructive Techniques	
10:30am - 11:00am	Break	Break/AGM Registration	
11:00am - 12:20pm	Session 2: Data-driven Structural Health Monitoring	11:00am - 11:40am	AGM
		11:40am - 12:20am	Session 4: Big data analytics for structural health monitoring
12:20pm - 1:20pm	Break	Break	
1:20pm - 2:40pm	Industry Workshop: Structural Health Monitoring Practices	Session 5: Advanced Sensing Technology	
2:40pm - 3:00pm	Break	Break	
3:00pm - 5:00pm	ABM	3:00pm - 4:30pm	Industry Forum
		4:30pm - 4:40pm	Closing
